

Havant Lions go Bottle Bonkers

Thanks to the overwhelming generosity of Havant Borough residents Havant Lions collected a total of 800 bottle donations for their annual Bottle stall at the Emsworth show collecting just almost £1800 which will go towards helping those most in need in our local community. Havant Lions had great fun manning the stand and would like to thank everyone who bought tickets on the day. Every ticket won a bottle of something, be it salmon paste, shampoo, malt whiskey or a huge variety of other types of bottles See you there again next year!
